

DMV Business Partners Services

Helping states optimize and modernize the DMV experience

At Kyndryl, we speak DMV

As DMVs strive for enhanced customer experiences, they need more than just an IT provider.

Kyndryl has more than two decades of experience partnering with states to design, deliver, and manage innovative DMV solutions. When you choose Kyndryl, you are working with DMV industry leaders!

Dealer Suite

Opportunity: Help dealers better serve their customers while completing DMV transactions online efficiently and securely.

Solution: Kyndryl has applications to deploy a whole suite of Dealer services for all dealer types including new, used, consignment and wholesalers.

Value: Kyndryl's Business Partners services can launch a whole new set of capabilities for your DMV without the need to start from scratch.

DIFFERENTIATORS:

- Production ready
- Portable Java code
- Broad integration support
